

Social Media Marketing (SMM)

Assessment

Section A – Basics (Short Answers) :

1.What is Social Media Marketing?

Ans. : Social Media Marketing (SMM) is the use of social media platforms (like Instagram, Facebook, and LinkedIn) to connect with an audience to build a brand, increase sales, and drive website traffic.

2.Define Content Pillars with an example.

Ans.: Content Pillars are 3–5 foundational topics that a brand consistently creates content around to maintain brand identity.

- *Example for a Gym:* 1. Workout Tutorials, 2. Client Transformations, 3. Nutrition Tips.

3.What is the difference between Reach, Impressions & Engagement?

Ans. : Reach: The total number of unique users who saw your post.

Impressions: The total number of times your post was displayed (one person can have multiple impressions).

Engagement: The total number of interactions (likes, comments, shares, saves).

4.What is a Content Calendar? Why is it important?

Ans. : A content calendar is a schedule of when and where you will publish upcoming content. It is important for maintaining consistency, organizing resources, and ensuring a balanced mix of content.

5.What is Hashtag Strategy?

Ans. : It is the practice of using specific, relevant keywords (preceded by #) to increase the discoverability of a post by categorizing it within the platform's search and discovery algorithms.

Section B – Practical Tasks :

Task 1: Content Strategy :

Choose any industry: Salon / Restaurant / Clothing Brand / Coaching Institute

Create a 7-day content plan including:

- Post Type (Reel / Static / Carousel / Story)
- Content Idea
- Caption draft
- Hashtag set (10 hashtags)

Ans. :

Day	Post Type	Content Idea	Caption Draft	Hashtag Set (10)
1	Reel	New Collection Launch: Fast-cut transitions showing the top 4 pieces from the latest drop.	"The wait is officially over! ✨ Our Summer Collection has arrived to upgrade your wardrobe. Which look are you grabbing first? Shop link in bio! 🛍️"	#NewArrivals #OOTD #ClothingBrand #FashionReels #SummerStyle #TrendAlert #ShopNow #StyleInspo #OutfitGoals #Apparel
2	Story	Interactive Poll: "This or That" featuring two different colorways of the same hoodie or dress.	"Help us decide! Are you feeling the 'Midnight Blue' or 'Sunset Orange'?"	N/A

			today? Tap your favorite! ⬅️➡️"	
3	Carousel	Educational/Value: "3 Ways to Style our Classic White Tee" for different occasions (Work, Date, Casual).	"One essential, infinite possibilities. 🔄 Swipe to see how we style our Signature Tee for every vibe. Which one is your go-to? 📌"	#StyleHacks #WardrobeEssentials #MinimalistFashion #HowToStyle #CapsuleWardrobe #FashionDaily #StyleTips #OutfitIdeas #Chic #Menswear
4	Static	Aesthetic Flat Lay: The product styled on a clean background with accessories like sunglasses and a watch.	"It's all in the details. ✨ Elevate your daily rotation with pieces designed for comfort and style. Tap to view the collection."	#Aesthetic #FlatLay #FashionPhotography #StyleGram #DetailShot #DailyLook #ClothingLine #OutfitInspiration #ModernStyle #FashionPost
5	Reel	Behind the Scenes (BTS): A "Pack an Order with Me" video showing the care and quality of packaging.	"From our studio to your doorstep! 📦 See the love that goes into every single package. Thank you for supporting our journey! ❤️"	#SmallBiz #BehindTheScenes #OrderPackaging #BrandStory #SupportLocal #FashionBusiness #Unboxing #CustomerLove #StudioVibes #Process
6	Carousel	Social Proof: A collection of high-quality photos from customers wearing the brand (UGC).	"Our community has some serious style! 🔥 Swipe through to see how you all are rocking the latest drop. Tag us to be featured next!"	#Community #CustomerSpotlight #RealStyle #OOTDIndia #FashionCommunity #StyleInfluencer #BrandAmbassador #FanPhoto #ClothingBrand #Inspo

7	Static	Lifestyle Shot: A high-resolution photo of a model in a popular item at a trendy outdoor location.	"Confidence is the best accessory you can wear. ✨ Step out in style this weekend with our best-selling linen set. Limited stock left!"	#BestSeller #WeekendVibes #ModelStyle #FashionInspo #ClothingBrand #LifestyleFashion #OutdoorShoot #MustHave #TrendSetter #StyleGoals

Task 2: Profile Optimization :

- **Bio Optimization:**

Use a clear value proposition, a location (if physical), and a tracked link.

Example: "🍕 Authentic Wood-fired Pizza in Rajkot | 🕒 11 AM - 11 PM | 📍 Kalavad Road | 📞 Order Now".

- **Profile Picture:**

Use a high-resolution version of the brand logo, centered and clearly legible even in a small circle.

- **Highlight Suggestions:**

Menu, Reviews, Ambience, Special Offers, Behind the Scenes.

- **3 CTAs:**

"Book a Table," "Order Online," "Contact Us".

Task 3: Competitor Research :

List 3 competitors and analyze:

- Follower count
- Posting frequency
- Content type used
- What they do better than you
- Improvement recommendations

Ans. :

Analysis Points	Competitor 1: Snitch	Competitor 2: Westside	Competitor 3: Bewakoof
Follower Count	~1.4M	~1.1M	~1.7M
Posting Frequency	2-3 times per day	Once daily	3-4 times per day
Content Type Used	High-energy Reels & Streetwear styling	Professional studio shots & Lifestyle Carousels	Meme marketing & Pop-culture graphic tees
What they do better	Fast adoption of viral trends and high community engagement.	Consistent brand aesthetic and high-quality photography.	Highly relatable humor that encourages massive sharing.
Improvement Recommendations	Start using trending audio for Reels within 24 hours of a trend peaking.	Invest in professional lighting for "studio-feel" product shots.	Create "fashion memes" that relate to common shopping struggles.

Section C – Mini Project :

Choose any business and prepare a 1-week campaign plan (Awareness or Lead Gen):

Business: Urban Edge (Men's Streetwear)

- **Campaign objective :** Awareness & Brand Identity
- **Target audience :**

- **Gender:** Men.
 - **Age:** 18–34 years.
 - **Interests:** Sneaker culture, gym wear, urban fashion, and music festivals.
- **Content format :**
 - **Reels:** 3 high-energy "Get Ready With Me" (GRWM) videos featuring oversized tees and cargo pants.
 - **Carousels:** "How to Layer for the Weekend"—showing 4 different combinations of basics.
 - **Stories:** Daily "Outfit of the Day" (OOTD) polls and customer unboxing clips.
- **Expected outcomes :**
 - Establish the brand as a "go-to" for comfortable yet trendy urban wear.
 - Drive 1,000+ visitors to the "New Arrivals" section of the website.
- **KPIs to measure success :**
 - **Save Rate:** High saves on styling Carousels (indicates intent to buy/replicate).
 - **Share Rate:** Viral reach on lifestyle Reels.

Meta Ads Assessment

Section A – Basics (Short Answers) :

1. What are Meta Ads?

Ans. : Meta Ads is the advertising platform used to run paid campaigns across Facebook, Instagram, Messenger, and the Audience Network.

2.Explain Campaign → Ad Set → Ad Structure.

Ans. :

- **Campaign:** Where you set the objective (e.g., Traffic).
- **Ad Set:** Where you define audience, budget, and placement.
- **Ad:** The creative part (image/video/copy) that the user sees.

3.Boost Post vs. Meta Ads Manager:

Ans. :

- **Boost Post:** A simplified tool to quickly reach more people with an existing post.
- **Ads Manager:** A professional tool offering advanced targeting, A/B testing, and detailed reporting.

4.3 Campaign Objectives:

Ans. :

- **Awareness:** To reach the maximum number of people likely to remember the brand.
- **Traffic:** To send people to a website or app.
- **Leads:** To collect info from people interested in your business (via forms).

5.What is Pixel?

Ans. : A Meta Pixel is a piece of code for your website that lets you measure, optimize, and build audiences for your ad campaigns by tracking user actions.

Section B – Practical Tasks :

Task 1: Audience Creation :

Business : Real Estate

- Create 3 audiences:
 1. Cold Audience

2. Warm Audience
 3. Retargeting Audience
- Define location, interests, age, and behavior for each.

Ans. :

Audience Type	Targeting Details (Location, Age, Interests, Behavior)
1. Cold Audience	Location: 20km radius of the property site . Age: 28 – 55 . Interests: Real Estate, House Hunting, Zillow, or Luxury Real Estate . Behavior: Frequent Travelers, First-time homebuyers.
2. Warm Audience	Location: Same as above . Condition: People who have interacted with your Instagram/Facebook page in the last 90 days or watched 50% of your property walkthrough videos.
3. Retargeting	Location: Global/Local . Condition: Users who visited the "Project Details" or "Pricing" page on your website but did not submit a lead form.

Task 2: Ad Creative + Copywriting :

Prepare 1 ad set with:

- **Primary Text**

Ans. : "Experience luxury living in the heart of the city. Modern 2 & 3 BHK apartments with world-class amenities. Limited units available. Book your site visit today!"

- **Headline**

Ans. : "Own Your Dream Home – Starting at ₹75 Lakhs! 🏠"

- **Call To Action**

Ans. : "Learn More" or "Book Now"

- **Image/ video idea**

Ans. : A high-quality Reel or Carousel showing a 3D walkthrough of the apartment and the building's amenities (gym, pool, park).

- **Landing page suggestion (if needed)**

Ans. : A dedicated lead capture page showing the floor plans and a "Download Brochure" button.

Task 3: Budget & Expected Results :

For a ₹10,000 budget :

- **Allocate budget across campaign(s) :**

Ans. :

Cold (Awareness/Leads): ₹7,000

Retargeting (Conversions): ₹3,000

- **Expected CPM, CPC, CPL (approximate):**

Ans. :

CPM: ₹200 – ₹400

CPC: ₹15 – ₹30

CPL: ₹250 – ₹600 (Real Estate leads are usually more expensive but high value).

- **Key KPIs to track :**

Ans. :

CPL (Cost Per Lead): Most critical for Real Estate.

CTR (Click-Through Rate): To see if people find the property attractive.

Section C – Mini Project :

Choose any business and prepare a Complete Meta Ads Plan:

Business : Men's Clothing

- **Objective**

Ans. : The primary objective is **Sales/Conversions**. The goal is to drive direct purchases of the "Urban Edge" premium streetwear collection on the website.

- **3 Ad Sets (Cold / Warm / Retargeting)**

Ans. : We will use a three-tier funnel approach to capture new customers and bring back interested shoppers.

Ad Set	Audience Type	Detailed Targeting
Ad Set 1	Cold	Location: India (Tier 1 & 2 Cities). Age: 18–34. Interests: Men's Clothing, Streetwear, H&M, Zara, Sneakerhead.

Ad Set 2	Warm	Condition: Custom Audience of people who engaged with the Instagram profile or watched 50% of our "New Drop" Reels in the last 60 days.
Ad Set 3	Retargeting	Condition: Website visitors who "Added to Cart" but did not complete the purchase in the last 14 days.

• Budget Split

Ans. : Total Budget: ₹10,000.

- **Cold Audience (Top of Funnel):** ₹6,500 (Focus on new customer acquisition).
- **Warm Audience (Middle of Funnel):** ₹2,000 (Building brand desire).
- **Retargeting (Bottom of Funnel):** ₹1,500 (Closing the sale with urgency).

• Ad Copies

Ans. :

- **Creative Idea:** A 15-second high-energy Reel showing a model transitioning between different streetwear looks.
- **Primary Text:** "Level up your wardrobe with our Signature Streetwear. 🛹 Premium quality, bold fits, and maximum comfort. Shop the New Drop now!"
- **Headline:** "Flat 15% OFF + Free Shipping on your first order! 🛍️"
- **Call to Action (CTA):** Shop Now.

• Expected Results

Ans. :

- **Expected ROAS (Return on Ad Spend):** 3.5x.
- **Estimated CPC (Cost Per Click):** ₹8 – ₹15.
- **Key KPIs to Track:** Conversion Rate, Return on Ad Spend (ROAS), and Cost Per Purchase.

- **Optimization Strategy**

Ans. :

- **A/B Testing:** Test two different headlines (e.g., "Free Shipping" vs "15% Off") to see which drives more sales.
- **Scaling:** If an ad set achieves a ROAS higher than 4x, increase its daily budget by 20%.
- **Creative Refresh:** Replace ad images every 10 days for the Retargeting audience to avoid "Ad Fatigue."
