(2).What is the use of E-mail marketing?

Ans. : The primary purpose of email marketing is to build and maintain a direct line of communication with customers. It is used to:

- **Nurture Leads:** Guiding potential customers through the "buyer's journey" by providing value before asking for a sale.
- **Information Distribution:** Sharing company news, educational content, or product updates.
- **Traffic Generation:** Driving users back to a website or specific landing page.
- **Feedback Collection:** Sending surveys or polls to understand customer satisfaction.

(3).What goals you can achieve with the help of email marketing?

Ans. : Email marketing is highly versatile and We can achieve goals with the help of email marketing :

- **Increase Conversions & Sales:** Promoting limited-time offers, coupons, or new product launches to drive immediate revenue.
- **Boost Brand Loyalty:** Keeping your brand "top of mind" through regular newsletters and exclusive "subscriber-only" perks.
- **Customer Retention:** Re-engaging "dormant" users who haven't made a purchase in a while.
- **Lower Marketing Costs:** Achieving a high ROI (Return on Investment) since the cost per send is significantly lower than paid search or social ads.
