TO : iyerkrishnan52@gmail.com

Subject : Introduction email

Dear Mr. Iyer,

My name is **Arjun Mehta**, and I am a Business Consultant. My speciality in implementing AI-driven inventory management for large-scale operations like **Vistara Logistics**.

I have been following Vistara's recent expansion into the Tier-2 city markets, and I believe my software could help reduce your last-mile delivery costs significantly.

Are you available for a brief 10-minute introductory call this Thursday or Friday?

Best regards,

Arjun Mehta, Business Consultant.

2. Thank You Email

Subject : Thank You | Discussion on Tata Motors Partnership

Dear Mr. Kapoor,

Thank you for hosting me at your Pune office earlier today. I truly enjoyed our conversation regarding the **EV Battery Localization project**.

The insights you shared about the domestic supply chain challenges were incredibly helpful. I am looking forward to our follow-up meeting next month to discuss the MOU.

Best regards,

Rohan Deshmukh.

3. Email to Your Boss About a Problem (Requesting Help)

Subject : Urgent: Raw Material Shortage for the Reliance Retail Order

Dear Mr. Gupta,

I am writing to bring a critical issue to your attention regarding the **Reliance Retail bulk order**. We have encountered a sudden shortage of high-grade polymers from our primary vendor in Gujarat, which is threatening our production deadline.

I have reached out to secondary suppliers in Maharashtra, but their lead times are currently too long. I would appreciate your intervention to see if we can expedite a shipment or if you could suggest an alternative procurement strategy.

Are you free for a quick call at 4:00 PM today to discuss this?

Best regards,

Vikram Singh , Plant Manager, Mehta Industries.

4. Email of Inquiry for Requesting Information

Subject: Inquiry: Server Hardware Specifications for 'Airtel Data Center' Expansion

Dear Mr. Pandey,

I am writing on behalf of **Bharti Airtel** to request technical specifications regarding the new rack server units from **Dell Technologies**. As we are expanding our data center facility in Noida, we require clarity on the following points:

- The maximum power consumption per unit under full load.
- The lead time for an order of 50 units for the March quarter.
- Details regarding the onsite maintenance warranty in the NCR region.

Could you please provide these details or share the latest technical catalog by Wednesday? This information is vital for our procurement planning.

Best regards,

Abhishek Chauhan Infrastructure Lead, Bharti Airtel

5. Asking for a Raise in Salary

From : varunmalhotra11@gmail.com

To : veersinghaniya647@gmail.com

Subject: Discussion Regarding Compensation and Performance

Dear Mr. Singhaniya,

I am writing to request a meeting to discuss my current role and compensation at **Paytm**.

Since my last appraisal, I have successfully spearheaded the **Merchant Integration Project**, which onboarded over 500 new vendors in the Mumbai region. Furthermore, I have optimized our payment gateway latency, reducing transaction failures by 12%.

Given these results and the increased scope of my responsibilities over the past year, I would like to discuss a salary adjustment that aligns with my contributions and the current industry standards.

Are you available for a brief meeting this Thursday at 3:00 PM to discuss this?

Best regards,

Varun Malhotra , Senior Product Manager.
